Leading Brand **Testimonials**

ELIE TAHARI

"The event space for the Fashion Career Expo during Fashion Week was simply the best I have yet to see for a fashion job fair! As a result, it attracted higher caliber candidates which resulted in an exceptional hire that we just made."

ZARA

"I thought that the event was a great way to interact with other fashion professionals looking to mark their careers with a new phase and challenge. The amount of candidates was impressive and a tool our company will definitely use again. Many were looking for more corporate positions, as in technical design, fashion design, and buying positions, but many had retail floor experience, a qualification we deem really important in selecting candidates to work in stores."

URBAN OUTFITTERS

"Thanks so much for everything. There was a great turnout at The Fashion Week Career Expo and we spoke with some really great candidates. Thanks again."

FRENCH CONNECTION

"At the Fashion Career Expo we found several qualified and talented candidates. It was a great opportunity to network with other retailers and promote career opportunities. The event was extremely well organized and publicized, the turnout was phenomenal!"
